This map was prepared for the Town of Hollis, NH by Nashua Regional Planning Commission, February 2002. Displayed sites were positioned by volunteers and grant personnel using GPS technology, 2000-2001. Priority was given to agricultural structures with historical importance. This project was funded in part with federal funds from National Park Service, Department of the Interior through the Certified Local Government Program, NH Department of Historic Resources. The contents and opinions do not necessarily reflect the views or policies of the USDI.
